Scullers Failed To Overcome Lead Held by Seaforth Septete

Last Night's Game Ended In Tie—Visitors Showed Good Combination Play and Made Rowing Club Hustle to Even Matters Up.

Hamilton's stay in the senior O. H. A. was short, for they were unable to overcome the eleven-goal lead that Seaforth secured against the second team. The visitors were put out of the running. Seaforth goals were too much for any team to overcome, especially when the opposing outfit is as strong as Seaforth appeared to be, and it is doubtful if the local squad could have beaten the team on the round had the regular team journeyed to Seaforth last Thursday in place of the militia who did go along. Seaforth is all that has been said of them. Seven fast men who are all good stick handlers, and aside from this they are not over anxious to carry off honors individually, they pass the puck and pass it whenever the occasion arises, and due to this fact they were successful in playing a 6-6 game. The regular team, who were in the street, were not in the game, and the regular team was not in the game, and the regular team was not in the game.

Hamilton looked like playing in this period, for they were better than Seaforth, as Seaforth was forced to retire with a broken stick, and it was not long until they were on an even basis with the visitors. From then on both teams pressed hard, with Seaforth breaking the ice and going to the front. Boyd, who had just left his place in this period, scored the fifth goal for Hamilton, and when Seaforth got their sixth, Boyd came back with a goal, tying up the score. Boyd was before the final ball range, and by no means a poor player. Seaforth, however, prevented Seaforth from performing a stunt that no other team has done so far this season, and that is to beat Hamilton on their own ice. For Hamilton, it would be impossible to pick the best man, and it would almost be an impossibility to say that any man from young field at center played his regular game. Reid was on the puck from the first period, and he did not come to life until the final period, and during the twenty minutes he counted up to six. In the first period, Parker and Etherington played good hockey, and the same can be said for Seaforth in the first period. The team looked real bad. Reid spent too much time in the penalty box, and he was not in the game. Seaforth scored two or three goals. For Seaforth, all played well, but Seaforth was not in the game. Seaforth was not in the game, and Seaforth was not in the game.

Hamilton started out in good form, and for the first five minutes they were continually on the Seaforth, but their stick was at least the majority of them were wild, and no score resulted. It was here that the Seaforth team took a lead when O. S. S. got away on the boards, and after breaking through the forward line made Reid's stick easy to beat. Reid's stick was not in the game, and Reid's stick was not in the game. Reid's stick was not in the game, and Reid's stick was not in the game.

Port Colborne Had No Trouble Winning From Fast Funnive Team

Drury, McAvoy and Company Now Ready For the Second Round—Berlin Juniors Put On Record Score—Other Games.

Port Colborne, Feb. 14.—The local O. H. A. intermediates are now undoubted champions of group number five by reason of their 11 to 4 victory over Dunville here to-night. To-night's game was the final one of the group. Had Dunville won, it would have placed Hamilton R. C. and Port Colborne on even terms. The task of the local in winning the group title has been a strenuous one, and great praise is due them for their efforts and success. They started out the season with too well, but just what it looked as if Hamilton Rowing Club would land the group honors. Port Colborne came to life, and they were not unmannered to earn the right to go into the next round.

off for the honors in Northern League senior district No. 1 the 14th Battalion of Owen Sound defeated Chester to-night by seven to two. Chester came home with a five-goal lead, having defeated the Soldiers six to one on Monday night. The 14th Battalion of the fastest team here, and although they did not win in the first half and scored only one goal, they could not get in the second. Oliver, of Owen Sound, made a goal in the second, and most of the half was not seen. Six to one, as the tie has not been made, it is not yet known whether a sudden-death game in Waterloo would decide. Chester came with a special team and about 100 rovers. The line-up:

Chesley-Gaul, Drury, defence, A. McCaffrey and Granger, rover, centre, C. Reid, defence, L. Reid, defence, W. McCaffrey. The team was defeated by 10 to 2. Stanley Burgoyne, of Toronto, the well-known O. H. A. referee, is coach of the Port Colborne team. He did not take charge of the team until after they had played and lost a number of games. Since he took charge, however, the team have shown wonderful improvement. The coach of the key played in this group has been of a high brand and it is expected that Port Colborne will be a good team for themselves for the intermediate honors. The team:

Chesley-Gaul, Drury, defence, A. McCaffrey and Granger, rover, centre, C. Reid, defence, L. Reid, defence, W. McCaffrey. The team was defeated by 10 to 2.

Berlin, Feb. 14.—The Union-Jacks came through the second round of the O. H. A. Junior series with flying colors when they whitewashed the Stinsons Norfolk in the second of home-and-home games by 23 to 0, thereby winning the round 24 to 0. The visitors worked hard, but were outclassed in all departments of the game, although the defense men showed up best. Brack, a new man in goal for Stinson, endeavored to stop the rain of shots, but he could not check the onslaught of the foot forwards. The locals dispensed with team work and enjoyed individual tricks, scoring with ease. Every man of the Berlin team, except Chills, had several goals to his credit. In the second round of the Union-Jacks will meet the Ontarios, of London, the first game being played on Friday evening. The team:

Stinson—Goal, Brock; right defence, Halsey; left defence, Kelly; rover, Schmitt; centre, Shirk; right wing, Mitchell; left defence, Brown; rover, Schmitt; centre, Shirk; right wing, Mitchell.

Ingolf, Feb. 14.—The local Northern League seniors redeemed themselves to-night after their disastrous loss to London Friday by taking the measure of the Overens of that city in twenty minutes overtime by 6 to 5.

Ingolf-Groll, Holland; defence, Mordun and Granger, rover, centre, C. Reid, defence, L. Reid, defence, W. McCaffrey. The team was defeated by 10 to 2.

Jess Willard is Ill and Big Battle With Moran is Called Off

Champion Unable to Get in Condition by March 8 and Refuses to Name Later Date Until He Feels Better.

New York, Feb. 14.—Jess Willard, the heavyweight champion, to-night called off his fight with Frank Moran, of Indianapolis, for the title.

The titleholder is too ill to continue training and rather than take any chances cancelled the bout.

This announcement came over long distance telephone from Chicago. Tom Jones called Willard and enquired when he was coming here to train.

The fight was to have taken place in Madison Square Garden, on March 8. The titleholder is too ill to continue training and rather than take any chances cancelled the bout.

Memphis, Tenn., Feb. 14.—Jack Dillon, of Indianapolis, felled Vic Hanson, of Los Angeles, six times in the third and fourth rounds of their eight round bout here to-night, and was a easy decision Hanson clinched frequently after the fourth round.

When it is considered that Rickard and his partner will be out for five or six weeks, it is not surprising that he can begin to make a penny for them.

Tom Jones, Willard's manager, came to-day to ascertain just how serious Willard's illness is, and what effect it will have on the proposed bout.

Willard's illness is, it is supposed, a cold, and it may be necessary to postpone the fight for two weeks. Willard is understood to be opposed to a postponement if it can possibly be avoided.

Madison Square Garden is engaged for the night of March 8, and it is difficult to secure another date until late in that month. I am going to see the management to-day.

What dates are open during the first week of March, but there will be no postponement unless it is absolutely necessary.

This Explains How Tex. Rickard Secured Right to Stage Big Battle

Jack Curley Started With Big Bid and Worked Up Interests—He Figures In Spoils Won By Champion.

Chicago, Feb. 15.—Why is it hard to arrange a championship pugilist bout? The one question that is engaging the attention of fans throughout the country. The "red tape" and countless of publicity which usually precedes the actual signing of a champion and a challenger is a but it does not make a bit with them. It is action that is wanted and not a lot of talk over there. As a matter of fact, it is doubtful if there is a ring fan in the country who really cares a whit how much money the fighters are paid for their work. They want the boxers to get together and settle the question of superiority. That's all.

Recent attempts to make three weeks of money for the services. The one championship match was made in between Jess Willard, the heavyweight champion, and Frank Moran, the Pittsburgh redoubt.

BIG GUARANTEE DOLLARS. This pair of boxers has contracted to fight before a New York crowd, but before the match was made at all it was necessary for the promoters to raise \$100,000.

When it is considered that Rickard and his partner will be out for five or six weeks, it is not surprising that he can begin to make a penny for them.

Thursday, Feb. 15.—About half a dozen farmers with produce and a few other meats constituted the supply of the central market this morning, but what was offered was quite enough to meet the demand. Dairy produce has been gradually dropping in price. The highest figure asked for butter just now is 25 cents a pound and the best of new laid eggs can be had at 25 cents. There were no other changes in prices. Grain prices remain unchanged, and not much coming in.

Chicago, Feb. 15.—A strong attempt was made yesterday to get a crop scare. Many reports of damage in winter wheat were received from Texas and Missouri. In some cases the reports were well distributed among commission houses, where it was evidently thought that they would do the most good. A few were accompanied with buying orders for July wheat. That there has been damage to wheat and oats in Texas is certain, and Wagner has reports that 25 to 40 per cent of the wheat in Denton County, Texas, is dead. And spring oats being sown in the place. Missouri reports on wheat were generally bad, but in Kansas, where there has been much loss it has disappeared without seriously damaging the crop. Traders look for a crop scare later, but think it too early for anyone to tell definitely what the real condition is.
